Applicants' Representations

1. The Trust, a Massachusetts business trust, is registered under the 1940 Act as an open-end diversified management investment company and is currently comprised of 33 series ("Funds").

2. Two of these Funds are party to the transaction for which Applicants seek exemptive relief: the International Opportunities II Fund (the "Acquired Fund") and the International Opportunities Fund (the "Acquiring Fund").

3. John Hancock serves as investment adviser to both the Acquired Fund and the Acquiring Fund. John Hancock is a wholly-owned subsidiary of John Hancock Financial Services, Inc., a publicly-owned diversified financial services company whose shares are traded on the New York Stock Exchange.

4. T. Rowe Price International, Inc. ("T. Rowe Price") serves as sub-adviser to both the Acquired Fund and the Acquiring Fund. T. Rowe Price uses substantially the same personnel and analytical techniques in managing each fund. Applicants assert that the reorganization will not change the Acquiring Fund's Investment strategies or the analytical techniques or personnel that T. Rowe Price uses to implement them. Prior to June 13, 2000, the Acquired Fund had been called the

Global Equity Fund reflecting a "global" investment strategy and was sub-advised by Scudder Kemper investments, Inc. The current sub-investment management with T. Rowe Price was approved by a vote of the Acquired Fund's shareholders (based on instructions received from participating contract owners).

5. The shares of the Acquired Fund and the Acquiring Fund are currently sold exclusively to John Hancock and certain insurance companies affiliated with John Hancock (collectively, the "Insurance Companies") for allocation to separate accounts (the "Separate Accounts") established to fund the benefits under variable annuity contracts and variable life insurance policies (collectively, the "Contracts") issued by these companies. The Separate Accounts are registered as investment companies of the unit investment trust type under the 1940 Act. As a result of investing "seed money" in the Acquired Fund, John Hancock beneficially owner more than 5% of the Acquired Fund's outstanding shares.

6. Owners of the Contracts ("Owners") may choose to allocate their Contract premiums and account values among various investment options, including the Acquired Fund and/or the Acquiring Fund. As a result, Owners may participate, indirectly, in the performance of one or both of the funds.

7. Applicants assert that except for the fact that the Acquiring Fund is significantly larger than the Acquired Fund, the two funds are identical (including with respect to their investment programs, the identity of their investment and sub-investment adviser, their advisory fee schedules, and the types of other costs and expenses that they bear).

8. On September 27, 2000, the Trust's board, including all of the trustees who are not "interested persons," as defined in section 2(a)(19) of the 1940 Act ("Independent Trustees"), unanimously approved a reorganization of the Acquired Fund into the Acquiring Fund (the "Reorganization Agreement" or "Plan"). The reorganization is expected to occur on December 22, 2000 (the "Closing Date"). Under the Plan, the Acquiring Fund will acquire substantially all of the assets, subject to the liabilities, of the Acquired Fund in consideration of the issuance by the Acquiring Fund of shares having an aggregate net asset value ("NAV") equal to the aggregate NAV of the Acquired Fund's shares, determined as of 4:00 p.m. Eastern Time (the "Effective Time") on the Closing Date. The NAV of each Fund's shares for these purposes
